Dear Amy:

On behalf of the other members of the Women's History Month Film Series Committee, and the students enrolled in the course, I want to thank you for your thoughtful and interesting presentation to Monday night's screening of "Wonder Women!" Your experience as a filmmaker provided the audience with insights into the filmmaking process, and your report of your conversation with the maker of "Wonder Women!" added an extra dimension to the discussion. The students' response to your commentary revealed that you sparked their thinking on the issues that the film raises, especially the nature of female heroism and the need for newer role models for girls and women.

We know how very busy your life is, and so are all the more appreciative of the time you gave to the film screening and discussion.

With all good wishes,

Anne M. Boylan
